Professional Experience

Development Team Lead
One Convergence, Hyderabad | August 2018 – Present

- Leading UI development team for cloud and AI platforms, delivering 30+ features with zero critical bugs
- Championed React.js/Next.js migration, improving performance by 25% and reducing QA cycles by 30%
- Mentoring junior developers on UI/UX best practices, test automation, and modern development workflows
- Spearheaded DkubeX UI development for large-scale LLM deployment and Azure cluster deployment wizard

Web Developer (Freelance)
March 2013 – May 2018

- Delivered custom web solutions using PHP, HTML/CSS for clients and college events

Key Projects

LLM-Powered Cloud Data Platform (2025 – Present): Sole developer building AI-based SaaS with Rclone integration, OAuth multi-cloud connectors, and LLM-driven search.

DkubeX AI Platform (2024 – Present): Translated 50+ user stories into production-ready UX designs using Figma, streamlining delivery by 20%.

Azure Cluster Deployment Wizard (2024 – Present): Led React-based UI architecture for cloud resource setup and network configuration.

Hybrid Multi-Cloud UI Development (2019 – Present): Owned end-to-end UI development for 7 core networking modules including Subnets, VPN Gateway, and BGP.

Automated Compute Infrastructure (2019): Developed full-stack web application using Python, PHP, and jQuery for infrastructure automation.

AI Education Platform Development (2024 – Present): Architecting edtech platform that automates test generation based on Revised Bloom Taxonomy and NAAC guidelines.

Skills

Frontend: React.js, Next.js, JavaScript/TypeScript, SASS/LESS, Figma
Backend: Node.js, Python, REST API, Microservices
AI/ML: Generative AI, LangChain, LangGraph, Vector DB, OpenWeb UI
Cloud/DevOps: AWS, Docker, Kubernetes, Shell Scripting, OpenStack
Testing: Jest, Enzyme, Selenium, Playwright
Other: MongoDB, Redis, Grafana, Agile Methodologies

Certifications

AWS for Developers (2023) | Google Project Management Professional (2025) | Google Prototyping with Figma (2025)

Education

Master of Computer Applications
University of Hyderabad (2015-2018) | 10 CGPA | UGC NET Qualified 2017
